

President & CEO of YKIP, elected to a two - year board seat of SEA\LNG

Masamichi Morooka, President & CEO of YKIP was elected as a board member of SEA\LNG, with term of 2 years.

YKIP has been a member of SEA\LNG since May 2017, in pursuit of promoting LNG as marine fuel and LNG bunkering development at Port of Yokohama.

YKIP has been conducting practical case studies on LNG bunkering together with concerned parties. By accepting the election result, YKIP is going to continue its endeavors globally.

SEA\LNG brings together key players from across the supply chain, including shipping companies, classification societies, ports, major LNG suppliers, downstream companies, infrastructure providers and OEMs (original equipment manufacturers) to address market barriers and transform the use of LNG as a marine fuel.

SEA\LNG is a not for profit collaborative industry foundation serving the needs of its member organizations. SEA\LNG is guided by a board, which is led by Chairman Peter Keller.
