

## Masamichi Morooka, President & CEO, spoke about LNG as marine fuel on the 4<sup>th</sup> CWC LNG Fuels Summit

Masamichi Morooka, President & CEO of YKIP, was invited to the opening keynote panel discussion of the 4<sup>th</sup> CWC LNG Fuels Summit in Amsterdam on May 22nd.

In his continuous endeavors on LNG bunkering promotion, Morooka briefly introduced the on-going development at Port of Yokohama, and shared thoughts and opinions with other panelists on how economically feasible and environmentally effective LNG can become as a fuel option for shipping industry.
